Re: Polish Pat Applin No P280705
Your File: 30591
Our File: PM-1322 (Poland)

Dear John:

Thank you for your February 24, 1992 letter reporting the official action.

As there are no objections or rejections based on prior art, and as you are more familiar with Polish practice than I, please proceed to obtain the broadest possible claims consistent with my comments regarding this case elsewhere.

You refer to the Finnish and Norwegian cases. As I recall, the claims that we finally obtained in Finland were affected by the Finnish Examiner's conflicting ideas, as between PM-1315 and PM-1322, of which features were "essential." I do not recall having substantial difficulties in Norway.

Please let me know if you need anything further.

Very truly yours,

JHI:bas
